 Adam  
Dyer

“ Our mother Patrica was the best mother a person could ask for. She was loving, funny, compassionate, thoughtful, and her faith was unmatched. She loved her kids and her grandchildren to the moon and back and always loved seeing her family. I was not prepared to say goodbye but I know that you're with our Heavenly Father and our other passed loved ones. Our hearts are devastated but what is grief if not love persevering. We love you mama.
