“ Miss you Rhou. We worked together many years at UHC. You were a hard working, very professional nurse & kind lady. May our Heavenly Father bless your family with whatever they stand in need of at this sad time.
Love, Theresa

“ Dear Rhou, hadn't talked to you for awhile but I always kept you in my prayers. You were a great nurse and great to work with. Always proud of your children and loved your family. I wish you the best in the great beyond and we'll all have a great reunion someday. Until then, we'll hold down the fort down here. God bless you and your family. May they have peace in their hearts. Love you. Susan D.

“ So sorry to hear about Rhounyta. She was an absolute beautiful person, loved by many. She will be missed for sure. Life will never be the same but our memories will get us through this painful time as we all grieve along with you. I will remember her as a loving, caring person, team player, wonderful nurse, dedicated to her patients and job, a joy to work along side of. Her smile could light up a room! My condolences.
