“ *To: The Family of Shannon Weary,
I am sending love, hugs and prayers during this difficult time. I am
praying that God will give each of you the strength you need every
moment of your lives to continue on this journey called life. I am
sharing this photo of my Beautiful Friend Shannon because we had
an amazing time together this day. I will miss our conversations and
laughs, but I know I know we will see her again. It's not goodbye but
I will see you later.*

With much love and prayers,

So sorry for your loss. I worked with Shannon, and she was hands down my favorite person to work with. It's not the same without her, she could always make the worst days positive with her outlook and amazing personality.

I lost my dad a year ago, and I know how empty and lost you might feel right now losing your mom. Sending thoughts and prayers your way.

This is a big loss for me, Shannon was an angel and can never be replaced. You will be missed but I want people to celebrate her life because that's what she would want. Thank you! I send prayers for comfort to her kids and family during these times.
