“ I remember the first time me n my family moved next door to you all. It was you who asked me what school did me n my brothers attend. And then we all just connected from then. We all enjoyed being outside in Elmwood Gardens Apartments. Your family has always been nice and fun to be around my family as well. I will always hold those memories and you are a angel above now and you will always be missed. The news of your passing was truly a shock. You have gained your wings to fly above to watch over your family. My deepest condolences to your family.
