“ *Una Robinson Fontenot, I was very sorry to hear about your passing. My prayers go out to your family during this difficult time. You will be remembered forever and have become a legacy as an excellent friend. One of the reasons why my study at Tougaloo College was a rewarding and great experience was because of you. Remember, I met you there. We developed a mutual bond that was more like a fraternal twin sister relationship. Our relationship lasted for years, even with my move and stay in Dallas. You were true blue. Even though you were an introvert, you made up for it in being brilliant, warm in heart, sincere, kind, devoted, and determined. These qualities were also present in your relationship with husband and sons.*

Thank you very much for nurturing our friendship relationship that is worth passing down, cherishing, and remembering for years to come.

*Love you,
Dorothy Vaughn*
