“ *To the Hunt Family,*

We express our heartfelt sympathies and condolences on the loss of your sister, Verda. May your heart find peace and comfort in such difficult times. Our thoughts and prayers are with you and the entire Hunt family.

Our families have been connected since childhood days back in San Augustine, TX, at St. Matthew Baptist Church, Lincoln Elementary, Middle and High School. We consider your family as our extended family. We deeply mourn the loss of Verda along with you. We ask God to grant peace and mercy to all who loved and adored her over the many years. We know that those we love don't go away, they walk beside us every day...unseen, unheard, but always near, still loved, still missed, and so very dear.

There are some who bring a light so great to the world that even after they have gone the light remains. Verda touched so many with her gift of music, her long successful career in education, and her unwavering love of family and friends. We feel blessed to have been part of the circle of love where Verda boldly stood in center.

The Bible says in Matthew 5:4 “Blessed are those who mourn for they shall be comforted.”

The Bible also says in Philippians 4:6 “and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus”.

We will keep you all in our hearts forever.

“ *To Sammie and the Hunt-Davis Family: Verda was always a force of excitement, as far back as I can remember (1965-69 at Bishop College. She had joined our 2nd Saturday Lunch Bishop Ladies Group in recent years, always bringing that "force." She enjoyed an active life, and left a rich legacy.*

Although we will miss her, we realize that her journey has been completed. We will see her, again. Thank you for sharing her with us.

“ *To the Hunt and Davis Family: I met Verda Hunt Davis in 1969 as a freshmen entering Bishop College when I became her sister's room mate. Verda will always be remembered for her beautiful smile and her sense of humor. While at Bishop Verda was full of good advice. I am praying for the entire family who I am sure will miss her dearly. Just know that to be absent from the body is to be present with the Lord. Rest easy my Sister of the Azure Blue.*
