“ We've known the Nibo family from the time our son started playing baseball with Vera's son. In those 8+ years, Vera was always so incredibly friendly to us. She always made a point to say hello, and she always brightened our day with her lovely smile and attitude. She lives through her beautiful children - she will be dearly missed. She was a wonderful mother, and her example will live with me, always. Our thoughts and prayers continue to be with you all. Love, Deani Koch & family

“ My deepest condolences,  
  
*I will never forget the smile and precious spirit she brought with her every time we spoke. She didn't realize the lasting impact she had and will continue to have in my life. I wish I had known sooner. I pray for the family and loved ones. You will hold a special place in my heart and I can't wait to see you again. There is no one like you..*
