“ Dearest friend, I will miss you. I loved it when you called me "a white boy". You meant it in jest and know we had a friendship. But there were things said in secret I must share. Our friendship was undeniably real. Hugging you meant the world to me

Telling you things about me, and you, with understanding ear... I lost a confidant. I was very proud to help you. I miss your smile, your laugh and your presence. As a matter of fact, we all miss you. It's not the same without you on the hall. You brought joy, laughter, and friendship to whom you met during your stay. I cannot tell you how many times I've cried after you left us. I/we will miss you. Until I see you again my friend, the Streets of Gold is the path you're currently walking on. I'm pretty sure you will be opening up the door for many. Many blessings to her family.
