“ Hello and Never Goodbye my sweet precious nephew Victor B Taylor Jr. Aunt Lisa don't even know where to start. So many things to say and so many thoughts are rushing through my mind. I wish I could have wrapped my arms around you and rescue from from evil poison in and of this world today. But I didn't and I was not able to. You talking about proud. I was and will always be so proud of the things you had accomplished in such a short period of time. You were living and loving life. Whenever we spoke over the phone and even text...I could hear the joy in your heart and the excitement in your voice. You loving life. And looking forward to even bigger accomplishments. I'll always love you and never forget the person that you had become. Aunt Lisa love you always.. forever and a day.
