“ *My big brother is a true mess. Every time we were in to it, always crackin on each other. We would get along watching the Britons, especially "Keeping Up Appearances ", also Perry Mason and the Honeymooners. He never gave advice though, because he knew I would NOT listen. I'm the baby sister. I love you Butchy Butch! Please don't show out until we get there. Please don't bother Eve either. Lol*

“ BUTCHY BUTCH!!! As I yell everytime I see him!! Giving him the biggest hug and kiss as he usually wipes it off saying, 'Gone now girl, stop slobbering on me?' I love my Uncle Butch, he was so special to me. He taught me a lot of what TO do and what NOT to do.... During his final months I didn't get to see him as much as I would have liked to. The last time I visited I don't even know if he knew it was me. And that bothered me so much, I stayed away. I wished I didn't. That's the part that makes this so hard for me. I will miss each and everyday Uncle Butch Rest in heaven! Oh, will you please do me a favor.... When you see my Daddy, give him a hug for me! Annaco\*
