LW

Today marks 8 weeks that I received that dreadful call that you had been rushed to the hospital. My heart literally stopped as I rushed to be there with the girls. On that Sunday, your heart stopped permanently and I feel like mine is on life support as I truly miss you. A day don't go by that I don't think of you and long to hear your voice. I know God will let me see you again and until that time RIP my son. You earned it. Love you always.
