“ *My cousin, your laughter was infectious. Growing up with you as a cousin was like having that big sister I never had. You were protective of everyone you loved. Although we are relieved that you will no longer suffer, we will truly miss you. Rest in heaven my beautiful (inside and out) cousin. Love, Aunt Carrie Mae, Cousin Shirley, LaNell, and LaKesha*

“ *Although I'm sad without you
And wish that you were here
Within my heart your lovely smile
Still shines bright and clear
I treasure all those memories of
growing up with you, the secrets
we would always share, the childish
things we'd do. And as the years
passed quickly by we grew closer still
I miss you my sister and you know I
always will.*

*Your Loving Sister

They walk beside us everyday
Unseen, Unheard, But always near
Still Loved, Still Missed and
Very Dear to our Hearts that clear*

“ We wish we could HUG you and just see your face
But now all we have are memories to stand in your place
Gone but not forgotten, is what they always say
Of course that is true, But if only you could have stayed.
