“ I'm so glad we always enjoyed the time GOD gave us together. Whether it was drawing clothes we wanted to design as a child or sitting in the park talking about adulting or just sitting on the phone with you while you were at work. My heart ache, my stomach is in knots as I prepare my mind for this. The one thing that brings me just a little peace is the love we had for each other was something we both always acknowledged. Favorite sister/cousin. I love you to heaven and back. I miss you like a CRAZY!
