“ *Lovelace is what I called Zamaria. The moment I met her, I told her that we would get along just fine. She would stop by my office every time she was at school and say "Hey Mrs. David, you got some food"? We talked about life and making the right choices. I wanted to see her fight her battles and push through. She had a lot of support at PHS. She was full on energy and had a beautiful smile. She will greatly be missed.*

*Love always,  
Mrs. David*
